

**COMMISSIONERS' MINUTES
KITITAS COUNTY, WASHINGTON
COMMISSIONERS CONFERENCE ROOM
REGULAR MEETING**

MONDAY

9:50 A.M.

JUNE 16, 2014

Board members present: Chairman Paul Jewell; Vice-Chairman Gary Berndt & Commissioner Obie O'Brien.

Others: Mandy Buchholz, Deputy Clerk of the Board and Robin Read, Public Health Administrator.

REGULAR MEETING

DEPARTMENT HEAD

PUBLIC HEALTH

Robin Read, Public Health Administrator explained that they would like to put County logos on the Environmental Health vehicles. She provided an example of what the Department was considering and stated that she had received a quote from the Copy Shop for approximately \$400.00, noting that she was still waiting for other quotes to come in. The Board provided feedback on the look of the logo and potential options to consider and gave their support regarding Environmental Health marking the County cars.

Ms. Read explained to the Board that Elmview is requesting group employment funding. The Board asked Ms. Read to set up a Special Meeting to discuss this topic as there wasn't enough time to cover everything in a ten minute Department Head Meeting, and they had questions and concerns that might be beneficial to ask Elmview to attend the Special Meeting as well. Staff was directed to set up a Special Meeting with Ms. Read and Elmview to discuss DD rates.

Meeting adjourned at 10:00 a.m.
