**KASTNING WAIVER**

**COMMISSIONERS**

At 12:00 p.m. Chairman Jewell opened a Special Meeting to discuss amending a waiver to Kittitas County Code Chapter 9.45 that was previously granted on August 11, 2014.

The Applicant explained that unbeknownst to him and his fiancé her uncle as a wedding gift has hired a band from Nashville to come play at the wedding. He explained that the uncle hired the band to play until 2:00 a.m. and was hoping that the Board would reconsider the noise waiver and extend it until 2:00 a.m. instead of the originally approved time of midnight. He stated that if the noise is to bothersome for their neighbors the uncle (Tim Ravet) has offered to put them up in a hotel for the night if need be, which is an offer he has extended in the past for the Tarp-It party held Labor Day weekend.

The Board and Sheriff Gene Dana discussed the concerns and Mr. Dana explained that he originally suggested midnight due to consistency in other requests. However he understands the issue and cost associated with having a band come in from out of State.

Commissioner Berndt moved to amend the original noise ordinance waiver, noting that instead of midnight it is now approved until 2:00 a.m. on August 17, 2014, noting that there will be a decrease in the volume at midnight and that all neighbors are to be notified specifically the neighbor to the south of the event location. He also noted that proof of notice was to be provided to the Board of County Commissioners Office no later than 5:00 p.m. on August 15, 2014. Commissioner O'Brien seconded. Motion carried 3-0.

Meeting adjourned at 12:05 p.m.
