DEPARTMENT HEAD

COMMISSIONERS

Julie Kjorsvik, Clerk of the Board explained that Deanna Panattoni, County Treasurer presented two applications for Re-Sale of Tax Title Property and explained that the County hasn't had two applications for the same property before. Neil Caulkins, Deputy Prosecutor explained that there are different options for how it's handled. He explained what the qualifying factors are for how these applications are handled and provided the Board with options on how to proceed.

The Board felt the auction process would be most fair based off of the details they have to make a decision from. The Board indicated that Staff would wait for Mr. Caulkins to look into the process for moving forward to see what is needed for the County to do such as setting a public hearing and at that time it is opened for auction or what is the exact proper process.

Meeting adjourned at 10:00 a.m.
