Armory Setup for Future Public Meetings:

Doc suggested that any group holding a meeting in the Armory, should go and use the equipment prior to the meeting. Doc stated it took a few hours to set everything up. Doc stated the size and shape of the room makes it difficult for people in the audience to hear and that it would be beneficial to the group to have a middle aisle down the row of chairs to the podium. Doc also suggested putting chairs as close to the front table as possible, and not even set up chairs in the back of the room unless they are absolutely needed. Commissioner Jewell suggested Doc share his experience with the new Fairgrounds Director and Commissioner Jewell stated he would ask the Director to put a memo together to send out to other departments.

Board Direction: None.
