**SPECIAL MEETING      ALCOHOL SUBSTANCE ABUSE-COORDINATOR      COMMISSIONERS**

At 3:00 p.m. Chairman Jewell opened a Special Meeting to discuss with County staff an Alcohol Substance Abuse Program Coordinator position.

Commissioner O'Brien explained that since the meeting had originally been set there had been a significant amount of research into what is required of the County and the Alcohol Substance Abuse Program County Coordinator position, etc. He provided a copy of RCW 70.96A.310 which outlines the expectations for the County's Coordinator. He apologized for having everyone come together for the meeting since it's really no longer needed. He explained that Mr. Wilson will continue to serve as the ADDS Coordinator and noted a few discussions that are taking place between CWCMH and ADDS for services provided and some agreements that are in the works for those services.

Chairman Jewell questioned if the County needed to prepare a Resolution naming Dave Wilson as the County Coordinator. Mr. Wilson indicated that at one point he thought it would be needed however; he is now listed with the State as the County Coordinator and doesn't feel it will be needed any longer. Chairman Jewell asked Commissioner O'Brien to work on a Resolution designating CWCMH to provide Kittitas County with the crisis response services needed. He also asked Commissioner O'Brien to work with Judy Pless, Budget and Finance Director on Amendment #9 for the contract with ADDS directing them contract with CWCMH for the crisis response services
