Initial

_____	The undersigned owner/agent hereby certifies that the manufacturer's installation instructions and anchoring and blocking plan (specific to this model of manufactured home) shall be on site and readily available to the inspector at the time of blocking and anchoring inspection.
_____	Failure to provide the manufacturer's specific blocking and anchoring documentation on site will result in a failed inspection and a re-inspection will be required.
_____	A re-inspection cannot be re-scheduled until <u>AFTER</u> the above documentation is now brought into Kittitas County Community Development Services office and the re-inspection fee paid.
