RE: Fischer BL13-00016

In regard to the above referenced land use action, I have the following comments:

The boundary line adjustment shall not impinge upon other structures, setbacks, etc.,
Any new lots created as a result of this action shall be subject to Kittitas County Road Standards and Fire code for new roads, driveways, etc.

Thank you,

Brenda Larsen
Fire Marshal

Brenda,

A couple of things...

We are a bit pushed for time on our Planning Commission staff report on the WUIC for Tuesday night... did you have something drawn up in the way of a summary/staff report that I can supply the commission members with along with the copy of the WUIC?

Also I am getting a lot of push on the Fischer BLA (BL-13-00016) they have a transaction pending... Sorry, I heard you were at home today so I attached an old word doc for a template... if you could kick sumpin' back it would be great!
