NAME OF PUBLIC WATER SYSTEM: _____

PROJECT USE:

New building with potable water

Remodel that adds fixtures, and creates an additional dwelling unit*

Addition that adds fixtures, and creates an additional dwelling unit*

Addition of potable water to a dry structure

Please describe project: _____

*A dwelling unit is defined as: "A single unit providing complete, independent living facilities for one or more persons, including permanent provisions for living, sleeping, eating, cooking and sanitation."

Does the parcel currently have a structure with plumbing? YES NO

Please provide the following :

- Current passing nitrate (within 3 years) and bacteriological (within 1 year) well water tests
- Water Budget Neutrality Determination, Kittitas County Water Mitigation Certificate or other proof of mitigation
- Recorded Water Budget Neutrality Determination, Kittitas County Water Mitigation Certificate or other proof of mitigation on title with Kittitas County Auditor

Please check one of the following:

The proposed project is considered to be part of an existing connection on the water system and total use for this parcel will not exceed one connection, therefore; does not constitute an additional allocated connection on the water system. Purveyor will account for total population on system with Washington State Department of Health (DOH) Water Facilities Inventory (WFI) form.

The proposed project is considered a new connection to the water system and a connection is available. The above Public Water System is approved for ___ service connections, and currently serves ___ connections. The new connection will be number ___.

*****The adequate water supply determination approval remains valid only if the facts asserted and governing law do not change, and expires within 1 year of issuance. All applicable fees may be non-refundable.*****

Purveyors: Please initial the following statements and sign below.

___I, the purveyor of this water system, hereby certify that a connection necessitating a building permit that has not been previously allocated is available for use and that it is solely my responsibility for maintaining an accurate count of connections on the abovementioned water system.

___I understand that adequate water supply determination approval by Kittitas County Public Health Department only verifies that an adequate potable water supply is physically available at the time of approval and that it does not guarantee there is a legal right to ground waters.

STATEMENTS OF UNDERSTANDING

<p>_____ (Initials)</p>	<p>I understand that approval by Kittitas County only verifies my intent and that it does not guarantee that there is a legal right to waters of the state, or that the pre-existing water source meets state or local requirements for potability and /or quantity for the proposed use, or that WAC 173-539A does not apply to the pre-existing water source. As the applicant, I assume all risk in its entirety and agree to indemnify defend and hold Kittitas County, its departments, elected and appointed officials, employees, and agents, harmless from and against any and all claims, damages, losses and expenses, including reasonable attorney’s fees, for any bodily injury, sickness, disease, or death, or any damage to or reduction in value of property including the loss of use resulting therefrom which are alleged or proven to be caused in whole or in part by a negligent act or omission of its officers, directors, and employees. As the applicant, I understand that the purpose of this application has been made with the intention of seeking issuance of a building permit, I understand that I am legally and financially responsible for ensuring there is a legal right to the water to be used, and that all water supply systems are engineered, designed, constructed and maintained in accordance with federal, state and local requirements.</p>
<p>_____ (Initials)</p>	<p>I understand that the federal, state and local water quality requirements are a minimum requirement for water quality testing, and that local conditions may result in contaminants that are not detected by these tests. As the applicant, I assume all risk in its entirety and agree to indemnify, defend and hold Kittitas County, its departments, elected and appointed officials, employees, and agents, harmless from and against any and all claims, damages, losses and expenses, including reasonable attorney’s fees, for any bodily injury, sickness, disease, or death, or any damage to or reduction in value of property including the loss of use resulting therefrom which are alleged or proven to be caused in whole or in part by a negligent act or omission of its officers, directors, and employees.</p>
<p>_____ (Initials)</p>	<p>I understand that adding a 2nd and/or additional residential connections to an individual well, including accessory dwelling units, categorizes the well as a Public or Shared Water System which requires submittal of a Public or Shared Water System application and approval by Kittitas County Public Health Department or Washington State Department of Health.</p>
<p>_____ (Initials)</p>	<p>I certify that I have read and understand the Adequate Water Supply Determination Instructions and Form.</p>

NOTARIZED STATEMENT

I, _____ (the undersigned applicant) under penalty of perjury in the State of Washington agree to comply with all sections of this document, federal, state, and local provisions, codes, and ordinances in regards to water use. These covenants and agreements and shall be binding on all parties having or acquiring any right, title, or interest in this land described herein or any part hereof and it shall pass to and be for the benefit of each owner thereof. I certify that the information provided is true and accurate and I understand that if the project description should change that it is my responsibility to inform Kittitas County Public Health Department (KCPHD) and that the department may require different and/or additional requirements. As the applicant, I assume all risk in its entirety and agree to indemnify defend and hold Kittitas County, its departments, elected and appointed officials, employees, and agents, harmless from and against any and all claims, damages, losses and expenses, including reasonable attorney's fees, for any bodily injury, sickness, disease, or death, or any damage to or reduction in value of property including the loss of use resulting there from which are alleged or proven to be caused in whole or in part by a negligent act or omission of its officers, directors, and employees. As the applicant for a building permit, I understand that I am legally and financially responsible for ensuring there is a legal right to the water to be used, and that all water supply systems are engineered, designed, and constructed in accordance with federal, state and local requirements. I also wholly understand that approval of this application does not warrant any guarantee of potable water or the legal right to use waters of the state and that I alone assume the calculated risk of developing a potable water supply. I understand that all applicable fees may be non-refundable and that KCPHD may have additional requirements to ensure that sufficient and adequate water supply is available for use and I shall comply with all requests made by KCPHD. Should I as the property owner choose to use and appoint an authorized agent to represent my interest, I may do so, by having myself and the authorized agent sign this notarized statement.
