Shoreline Conditional Use Permit

(answer ONLY if requesting this permit)

**Must demonstrate your proposal meets all of the following per Kittitas County Shoreline Master Program (SMP):*

32. Answer the following questions on a separate sheet and attach to this application packet.

- a. That the proposed use is consistent with the policies of RCW 90.58.020 and the Master Program;
- b. That the proposed use will not interfere with the normal public use of public shorelines;
- c. That the proposed use of the site and design of the project is compatible with other authorized uses within the area and with uses planned for the area under the comprehensive plan and SMP;
- d. That the proposed use will cause no significant adverse effects to the shoreline environment in which it is to be located;
- e. That the public interest suffers no substantial detrimental effect;
- f. That if conditional use permits were granted for other developments in the area where similar circumstances exist, the cumulative impact of such uses would remain consistent with the policies of RCW 90.58.020 and not produce substantial adverse effects to the shoreline environment.
- g. That the proposed use has been appropriately conditioned to prevent undesirable effects of the proposed use and to assure consistency of the project with the Act and the local Master Program.
- h. When converting from one nonconforming use to a different nonconforming use, the applicant must demonstrate that no reasonable alternative conforming use is practical and that the proposed use will be at least as consistent with the policies and provisions of the Act and the Master Program and as compatible with the uses in the area as the pre-existing use.
