Mr. Ayling:

The Department of Health (DOH) Office of Drinking Water (ODW) has reviewed the application generating the following official comments:

1. As noted in the SEPA "Description", Item 11, this development is envisioned for at least 37 homes – this meets the definition of both a project and a Group A public water system, both with respect to water use.
2. As a Group A public water, DOH ODW is the exclusive administrative authority.

If anyone has any questions or concerns, please contact DOH, thanks,
