Hi Bradley,

I am forwarding to you all of the key pieces of information and documentation that we have collected regarding the SEPA application. Some of this you may already have, but I am sending everything just to be sure.

Attached are:

1. Critical Area Report
2. Cultural Resource Survey
3. Traffic Impact Analysis
4. Cost-Share Agreement that the Developer has with Kittitas County to expand the County's water permit coverage to include the subject property. The Developer is working with the County, Aspect Consulting, and the DOE on this. Aspect Consulting expects that, if all goes well, this will be complete by December 2025.
