Re: Property Line Boundary Variance request

Steve Roe
110-120 Homestead Lane
Easton, WA 98925

Dear County Employee,

I purchased 160 Homestead Lane in October of 2022. My neighbor Steve Roe owns the property that shares a property line with my property. His property is due East of mine. He has a garage near the property line with my property. If this garage is too close to the property line for normal rules and regulations I do not care.

I am never planning on selling my property, when I die it will be willed to my children. I would give permission for a variance to allow for this building on his property. If this requires registration of some sort of easement that would be ok as well.

If you have any questions for me about this letter please call me at the number listed below my name.

Sincerely yours,

Karl D. Hinze
