Subject: RE: AU-25-00002 Durkan - Notice of Application

Ellie,

The following are Public Health's comments on the Accessory Dwelling Unit Application AU-25-00002 Durkan.

- The parcel has an existing permitted 5 bedroom OSS (OS-22-00217). The permit approval was for a building sewer line from the ADU to the primary septic tank. If the applicant intends to install a new septic tank at the ADU they will need to submit a tank placement permit to Public Health.
- The applicants have approved adequate water supply determination for the primary residence (WA-22-00282) and the ADU (WA-24-00180). No further action is required for adequate water supply determination.

Thank you,

Dan Suggs, B.S. Environmental Health Specialist II
