Hi Ellie,

Thank you for the opportunity to review and comment on AU-25-00004, Wetzel. The Washington Department of Fish and Wildlife (WDFW) is familiar with the area and has reviewed the application materials on file.

The stream located on the property is a tributary to Dry Creek, a fish-bearing tributary to the Yakima River. There are also several mapped wetlands along the stream corridor and southern end of the property. We recommend any proposed development near the stream and wetlands be evaluated for consistency with Kittitas County's Critical Areas Ordinance. Proposed work in or near the stream will require a Hydraulic Project Approval from WDFW.

We appreciate that as currently shown on the site plan, the new development will be outside of the stream and wetland buffers.

If you have any questions about these comments, please contact me at (509) 406-3206 or Cassandra.Weekes@dfw.wa.gov.

Thank you!
Cassandra
