

Wetzel Accessory Dwelling Unit File Number AU-25-00004

FINDINGS OF FACT, DECISION AND CONDITIONS OF APPROVAL

I. General Information

Requested Action: The applicants have proposed classifying an existing 1,200 square foot dwelling on the property as an Accessory Dwelling Unit (ADU). The subject property is zoned Agriculture 20 and has a land use designation of Rural Working.

Location: One tax parcel (#799436), located at 330 Cattail Road in Ellensburg, WA. Approximately 0.15 miles from the intersection of Cattail Road and Howard Road. Section 32, Township 19, Range 18; Kittitas County parcel map number 19-18-32000-0026.

Site Information:

Total Property Size:	5 acres
Number of existing lots:	1
Domestic Water:	Existing Individual Well
Sewage Disposal:	New or Expanded On-Site Septic
Fire District:	Kittitas Valley Fire and Rescue (Fire District 2)

Site Characteristics: The site is located in the Columbia Plateau ecoregion and is semi-arid with areas of grassland characteristics and wetlands associated with a fish bearing stream.

Surrounding Property:

North:	Privately owned land primarily used for agriculture and/or residential purposes.
South:	Privately owned land primarily used for agriculture and/or residential purposes.
East:	Privately owned land primarily used for agriculture and/or residential purposes.
West:	Privately owned land primarily used for agriculture and/or residential purposes.

Access: The project has existing access from Cattail Road.

II. Administrative Review

Notice of Application: An ADU permit application was submitted to Kittitas County Community Development Services on February 10th, 2025. The application was deemed complete on February 13th, 2025. A Notice of Application for the Wetzel ADU (AU-25-00004) was mailed to all federal, state, and local agencies/departments with potential interest in the proposal as well as to all adjacent landowners located within 500 feet of any portion of the boundary of the proposal's tax parcel on February 18th, 2025. Notice was published in the Daily Record, the official newspaper of record for Kittitas County, and posted to the Kittitas County Website, all in conformance with the Kittitas County Project Permit Application Process (Title 15A).

III. Zoning and Development Standards

The purpose of the Agriculture 20 zone (A-20) is to provide for area wherein farming, ranching and rural life styles are dominant characteristics. The intent of this zoning classification is to preserve fertile farmland from encroachment by non-agricultural land uses; and protect the rights and traditions of those engaged in agriculture. The Wetzel ADU is being proposed under KCC 17.08.022 and KCC 17.15, when the ADU is located outside an Urban Growth Area.

KCC 17.08.022 Accessory Dwelling Unit Review:

"Accessory dwelling unit" means a self-contained, secondary residential unit that is located on the same lot as the primary dwelling and provides independent living facilities for one household.

Staff Conclusions

The proposal, as conditioned, meets the requirements of KCC 17.08.022.

KCC 17.06B.050 Administrative Review

1. That the granting of the proposed administrative use permit approval will not:
 - a. Be detrimental to public health, safety, and general welfare;
 - b. Adversely affects the established character of the surrounding vicinity and planned uses; nor
 - c. Be injurious to the uses, property, or improvements adjacent to, and in the vicinity of, the site upon which the proposed use is to be located.
2. That the granting of the proposed administrative use permit is consistent and compatible with the intent of goals, objectives and policies of the comprehensive plan, and any implementing regulation.
3. That all conditions necessary to mitigate the impacts of the proposed use are conditions that are measurable and can be monitored and enforced.
4. That the applicant has addressed all requirements for a specific use.

Staff Conclusions

The proposal 1a) is not detrimental to the public health, safety, and general welfare, 1b) the ADU will not adversely affect the established character of the surrounding vicinity and planned uses; nor 1c) be injurious to the uses, property, or improvements adjacent to, and in the vicinity of, the site upon which the proposed use is to be located, 2) is compatible with the intent of goals, objectives and policies of the comprehensive plan, and any implementing regulation, 3) the conditions necessary to mitigate the impacts of the proposed use are conditions that are measurable and can be monitored and enforced, 4) the applicant has addressed all requirements for a specific use. Staff finds the proposed ADU, as conditioned, consistent with the requirements of 17.06B.050.

KCC 17.15 Allowed Use Review: The planning official shall be vested with the responsibility of processing ADU applications. The county shall review and consider the proposed ADU regarding:

1. The parcel must be at least 3 acres in size;
2. Only one ADU shall be allowed per lot;
3. The ADU shall not exceed 1,500 square feet;
4. All setback requirements for the zone in which the ADU is located shall apply;

5. The ADU shall meet the applicable health department standards for potable water and sewage disposal, including providing adequate water supplies under RCW 19.27.097;
6. No mobile homes or recreational vehicles shall be allowed as an ADU;
7. The ADU shall provide additional off-street parking;
8. An ADU is not permitted on the same lot where a special care dwelling or an Accessory Living Quarters exists;
9. The ADU must share the same driveway as the primary dwelling;
10. ADUs shall be subject to obtaining an administrative permit.

Staff Conclusions

The proposal; 1) the parcel is 5 acres in size, 2) the parcel currently has no ADU on the property, 3) the ADU is less than 1,500 square feet, 4) the placement of the ADU meets the setback requirements of A-20 zoning, 5) the ADU meets the applicable health department standards for potable water and sewage disposal, including providing adequate water supplies under RCW 19.27.097, 6) the proposed ADU is not a mobile home or recreational vehicle, 7) the ADU has off-street parking 8) no accessory living quarter or special care dwelling exists, 9) the ADU shares the same driveway as the primary dwelling and 10) the ADU is subject to the administrative permit review process. Staff finds the proposed ADU, as conditioned, consistent with the requirements of 17.15.060.2.27.

IV. Environmental Review

The Washington State Department of Fish and Wildlife reviewed the application and noted that a “fish-bearing tributary to the Yakima River” and several mapped wetlands are located on the property. In the Columbia Plateau ecoregion Type F streams have a 100-foot setback buffer landward from the OHWM. Additionally, there is a 15-foot structural setback from the buffers edge (KCC 17A.01.090.5).

V. Agency and Public Comments

Applicable agencies, adjacent property owners, and interested parties have been given the opportunity to review this proposal. All comments are on file and available for public review.

Agency Comments:

The following agencies provided comments during the comment period: Yakama Nation Fisheries, Kittitas County Fire Marshal, Kittitas County Public Works (KCPW), Kittitas County Public Health (KCPH), the Confederated Tribes of the Colville Reservation, Washington State Department of Fish and Wildlife (WDFW), Kittitas County Reclamation District (KRD), and the Bonneville Power Administration (BPA).

Comments are addressed below.

Yakama Nation Fisheries

Yakama Nation Fisheries stated they had no concerns with this project.

Applicant Response: No response.

Staff Response: Because the comments provided confirm that the Yakama Nation Fisheries does not have concerns regarding this project, staff have no further comment

Kittitas County Fire Marshal

The Kittitas County Fire Marshal commented that driveways over 150 feet must have an approved fire apparatus turnaround. The indicated provisions for turning around fire apparatus are not adequate. Provide a turnaround meeting the requirements of the International Fire Code Appendix D.

Applicant Response: No response.

Staff Response: Staff recognize the requirements set forth by the Kittitas County Fire Marshal and shall condition approval upon remaining in compliance with these requirements.

Kittitas County Public Works

Access:

- An approved access permit shall be required from the Kittitas County Department of Public Works prior to creating any new driveway access or alternative existing access.
- Access spacing requirements on Cattail Road are 100 feet from accesses on the same side of the road as proposed access.
- Any further subdivision or lots to be served by proposed access may result in further access requirements. See Kittitas County Road Standards.
- In addition to the above-mentioned conditions, all applicable Kittitas County Road Standards apply to this proposal. Access is not guaranteed to any existing or created parcel on this application.

Engineering:

- Except as exempted in Section KCC 14.05.060, no grading or filling upon a site involving more than one hundred (100) cubic yards shall be performed without a grading permit from the County Engineer or Public Works designee (KCC 14.05.050). An application for grading in excess of five hundred (500) cubic yards shall be accompanied by an engineered grading plan (KCC 14.05.080).

Flood

- Parcel #799436 is not mapped within a FEMA identified special flood hazard area (100-year floodplain). A floodplain development permit is not required for the project.

Water Mitigation/Metering

- Per KCC 13.35.027 water mitigation and metering will be required for the ADU because it is a new use of ground water. Parcel #799436 is located within the OTC service area for the Kittitas County Water Bank. Please call the Kittitas County Public Works Water Recourses program at (509)962-7523 to discuss mitigation options and metering requirements.

Applicant Response: No response.

Staff Response: Staff recognize the requirements set forth by KCPW and shall condition approval upon remaining in compliance with these requirements.

Kittitas County Public Health

On-site Sewage:

- For the new primary residence, a site evaluation application will need to be submitted.

Drinking Water:

- The new primary residence will also need to have an adequate water supply determination

submitted.

Applicant Response: No response.

Staff Response: Staff recognize the requirements set forth by KCPH and shall condition approval upon remaining in compliance with these requirements.

Confederated Tribes of the Colville Reservation

The confederated Tribes of the Colville Reservation stated that this is outside the CCT Traditional Territories and their concerns will be adequately addressed by other interested parties and Tribes.

Applicant Response: No response.

Staff Response: Because the comments provided confirm that the Confederated Tribes of the Colville Reservation does not have concerns regarding this project, staff have no further comment.

Washington State Department of Fish and Wildlife

WDFW stated that the stream located on the property is a tributary to Dry Creek, a fish-bearing tributary to the Yakima River. There are also several mapped wetlands along the stream corridor and southern end of the property. They recommend any proposed development near the stream and wetlands be evaluated for consistency with Kittitas County's Critical Areas Ordinance. Proposed work in or near the stream will require Hydraulic Project Approval from WDFW.

Applicant Response: No response.

Staff Response: Staff recognize the requirements set forth by WDFW and shall condition approval upon remaining in compliance with these requirements.

Kittitas Reclamation District

KRD stated that this parcel lies within the Kittitas Reclamation District, however, as it is not a division of land, does not require submittal of any documents to KRD. It is recommended that the landowner consider the existing irrigation infrastructure as they build to ensure that how their irrigation water gets used on the property will not impact the placement of their dwelling. If the landowner chooses to subdivide this parcel in the future, they will be required to meet the KRD's division guidelines.

Applicant Response: No response.

Staff Response: Because the comments provided confirm that KRD does not have concerns regarding this project, staff have no further comment

Bonneville Power Administration

BPA stated they had no concerns with the application.

Applicant Response: No response.

Staff Response: Because the comments provided confirm that BPA does not have concerns regarding this project, staff have no further comment
