Hello Chace,

I just heard from a facebook group and from a neighbor that there is a proposed cell tower project in the works for Manastash Road. This is up the street from us and we strongly disagree with this proposal. We never received any notice from anyone regarding this, and I think many of my neighbors would agree. What is the process for writing a letter to protest against this????

I heard today was the last day, I want to make sure my input is heard.

Thank you!!
