ACCESS	<ol style="list-style-type: none">1. An approved access permit shall be required from the Kittitas County Department of Public Works prior to creating any new driveway access or altering an existing access.2. Maintenance of driveway approaches shall be the responsibility of the owner whose property they serve. The County will not maintain accesses.3. Any further subdivision or lots to be served by proposed access may result in further access requirements. See Kittitas County Road Standards.4. In addition to the above-mentioned conditions, all applicable Kittitas County Road Standards apply to this proposal. Access is not guaranteed to any existing or created parcel on this application.
ENGINEERING	No comments (CC).
SURVEY	There are no suggested survey revisions to the application. (JT)
TRANSPORTATION CONCURRENCY	No comments (KH).
FLOOD	<p>A portion of all proposed parcels are within the 100-year floodplain. If possible, any future development should remain outside of the floodplain in order to reduce risk and avoid mandatory flood insurance purchase requirements. All activities within the floodplain must be permitted through the floodplain development permit process and follow the regulations within KCC 14.08.</p> <p>While not required by KCC 14.08.220, it is highly encouraged that the floodplain boundaries are outlined on the face of the recorded survey.
