

**EXHIBIT 2**  
**BOUNDARY LINE ADJUSTMENT**  
**NARRATIVE**

We request a boundary line adjustment to enhance the utilization of the property included within the proposed boundary modifications.

The subject property, situated west of Ronald, Washington, off of Double O Road, spans an area of 28.04 acres. It receives water services from the Evergreen Valley water system, sewer and septic services from the Evergreen Valley sewer system, and power supply from Puget Sound Energy.

The property is zoned Rural Recreation with a land use of Rural Recreation. The property is accessed by Double O Road and Rockberry Road. There are no buildings on the property.

There are no other owners of property involved with this boundary line adjustment.

There are no Kittitas Code restrictions that would disallow the proposed Boundary Line Adjustments.
