RE: CU-13-00005 Carlson Conditional Use Permit

Dear Mr. Carlson,

Kittitas County Community Development Services has received your request for an extension to modify your conditional use permit application dated December 27, 2014. Your request is granted. Community Development Services has determined that for the sake of clarity a new application will need to be submitted (there will be no permit fee), complete with a site plan and a description of the nature, size, and scope of the proposed boat launch. **These materials will need to be submitted to our office by Friday, February 14, 2014. Failure to do so shall result in the expiration of your application.**

Feel free to contact me should have any questions or concerns. Documentation for this application may found on the County website at:

Sincerely,

Jeffrey A. Watson
