Carlson Conditional Use Permit

Dear Jeff;

With the changes to the Kittitas County Comprehensive Plan and Code that were passed this fall regarding Sec. 17.08.163, that will take affect in 2014, I am asking for an extension for my Conditional Use Permit application to allow us to apply for a boat launch permit only, as opposed to a private campground.

A boat launch only was my original intent, but I was forced to apply for the campground permit. as there was no boat launch option available.

Thank you for your consideration,
