**This letter is in response to Notice of Application for file number  
CU-16-000001**

**We incorporate and ask that all prior comments and documents for  
prior applications or proposals be incorporated and considered in  
this application review.**

**Your notice of application is confusing with respect to SEPA review  
and determinations.**

**We object to the issuance of a determination of Non- Significance  
(DNS). WE believe that such a decision is appealable, but you have  
failed to provide notice or procedures for filing such appeal.**

**We (all neighboring property owners and people listed on petition)  
request to be notified of any actions, decisions, and  
determinations with the respect of this application.**
