So..., many of the parameters placed on this during pre-app and comment period were variable (“if.... then...”)
Which is why I’m sending this around for some discussion before we commit it to stone. I felt it important that we stay consistent with parallel parameters found in the McIntosh decision. The water system and restroom language may need some tweaks... what’s there is the basics I could glean based on Mike’s recent email and other comments from state and local Health (group A required?). I am not married to the 300 attendee peak level we put on McIntosh before requiring a Title 5 Event Permit, but I need to put a ceiling out there somewhere (part of that on McIntosh came from the discussions about possible rodeo events horse trailers backing up on 97 etc...), let me know what you think. Applicant’s responses were verbatim; if you want anything modified let me know. I haven’t added any language with respect to overnight accommodations/camping; if we are going to allow it, it’ll be cinched pretty tight. I didn’t load anything with respect to food and beverage permits; figured those were a given but...? Drop me a line if ‘n...
