Yakima, WA 98902

Subject: Adoption of Project Specific SEPA DNS
WDFW Durr Road (CU-19-00005)

All interested parties:

A SEPA DNS was issued for the Wenas Wildlife Area Target Shooting Improvements and Management Project on May 2, 2019 by the Washington State Department of Fish and Wildlife. Pursuant to WAC 197-11-600(4) Kittitas County can adopt the project specific existing DNS document for all necessary permits (Conditional Use Permit CU-19-00005).

Kittitas County has determined no further environmental review is required and hereby adopts the Wenas Wildlife Area Target Shooting Improvements and Management Project DNS.

An electronic copy of the DNS is available in the County project file and on the CDS website.

If you have any questions regarding this matter, please contact the project planner, Jeremy Johnston at (509) 962-7065, or by e-mail at jeremy.johnston@co.kittitas.wa.us.

Sincerely,

Lindsey Ozbolt
Planning Official & SEPA Responsible Official
