

*To Protect and Promote the Health and the Environment of the People of Kittitas County*

# Memo

To: Kelly Bacon, Planner 1  
From: Holly Erdman, Environmental Health Specialist  
Date: September 30, 2020  
Subject: CU-20-00003 Carey

---

Thank you for the opportunity to comment on the Carey application regarding water and septic requirements to comply with Kittitas County Public Health Department's Environmental Health requirements. The project site plan indicates that there are two existing wells on the parcel, but it is unclear how water will be put to use in a structure. This additional information is needed to enable Environmental Health to do a complete review of this project.
