

To Protect and Promote the Health and the Environment of the People of Kittitas County

Memo

To: Kelly Bacon, Planning Official
From: Jesse Cox, Environmental Health Supervisor
Date: September 30, 2020
Subject: CU-20-00003

Thank you for the opportunity to comment on the Carey Mini Storage project regarding water and septic requirements to comply with Kittitas County Public Health Department's Environmental Health requirements. The project application and SEPA review indicate that there is an individual well on site but that it will not be used during construction or maintenance of the facility. The application also states that sewage disposal is not applicable. If the water system will not be used for consumption or sanitary purposes, then no additional information is needed.
