Mr. Peterson,

We have owned property at 271 Sandelin Ln since 1965. It was our understanding that Mr. Jackson would not use Sandelin Ln for access, as he does not participate in our HOA. This may be deemed an emergency access but over time it will inevitably become an easy access to their property. Our homeowners pay an HOA to take care of the road which has minimal use by the 15 homes located here. We would like to see Mr Jackson relocate his emergency access road to another location and have the gate permanently locked. We never access his property through this gate. The residents would like to keep the peace and tranquility of our homes on Sandelin Lane, without additional cars or foot traffic trying to access the lake.

Thank you for your consideration.
