RE: Guild RV Park Conditional Use Permit Application(CU-24-00007) Transmittal of Comments Reply
Below are the responses to the comments received.

July 8, 2024

Washington State Department of Health (Office of Drinking Water)

- 1) The proposed use of water meets the definition of public water system.
- 2) The number of RV spots and connections meets the definition of a group A public water system, as a group A public water system DOT ODW has authority.

July 9, 2024

Washington Department of Ecology

The estimated water usage is between 3,000 - 5,000.00 gallons per month, all of the water comes from our well.

July 11, 2024

Confederated Tribes of the Colville Reservation

There will be no ground disturbance at this time, if so we will have a IDP in placement.

July 16, 2024

Department of Natural Resources (Forest Practices)

There will not be any marketable timber removed or harvested as part of the purposal.

July 16, 2024

Kittitas County Public Health (Office of Drinking Water)

Has adequate sewer and water connections.

July 19, 2024

Department of Ecology (Sepa Coordinator)

No Ground Disturbances.

July 22, 2024

Department of DAHP

property has been surveyed and there is no historical buildings or structures 45 years or older located within the project.

July 23, 2024

Adjacent Property Owner

No fires are allowed in tent sites, only in designated fire pits.

July 23, 2024

Department Of D.O.T.

Have contacted Mark Kaiser and we have received our driveway permit.

Thank you for your help. Should you have any questions contact us. 360-508-6773
Thanks again.

Brian A. Guild
