Mr. Torrance-Smith:

The Department of Health (DOH) Office of Drinking Water (ODW) has reviewed the application, generating the following comments:

1. The proposed use of water meets the definition of a public water system.
2. The number of RV spots and connections meets the definition of a Group A public water system – as a Group A public water system, DOH ODW has authority.

If anyone has any questions or concerns, please contact DOH, thanks,
