Comments to Kittitas County on RZ-15-00001, SD-15-00002, SD-15-00003:

The Yakima Field Office of the Bureau of Reclamation (DOI), has the following comments on this project:

The bridge over the Kittitas Reclamation District Main Canal is owned by the United States. The proponent will be required to work with the Bureau of Reclamation as part of this project in order to replace it, which involves transferring ownership of the bridge out of the name of the United States.

Please contact me if you have any questions or need further information.

Thanks,

Carron :)
