Subject: Shoreline Exemption Permit (SX-20-00004) - Request for Additional Information

Dear Applicant,

Kittitas County Community Development Services (CDS) received your Shoreline Exemption Permit application (SX-20-00004) on February 12, 2020. Staff has reviewed your application and determined that more information is needed before this application can be processed any further. Please provide the following:

1. Updated site plan showing the following:
 - a. Clearly identified Ordinary High Water Mark (OHWM) of Kachess Lake
 - b. The 115' construction setback from the OHWM or the distance from the proposed structure to the OHWM.
 - c. A profile view showing the horizontal distance from the OHWM to the edge of the new structure.

Please update your site plan accordingly.

I have attached a resource to help identify the location of the OHWM of Kachess Lake. Once these items have been received, Community Development will continue the processing of your application.

Please contact me directly with any questions via email rachael.stevie.cd@co.kittitas.wa.us or by phone at (509) 962-7637.

Thank you,

Rachael Stevie
Planner I
