Good morning,

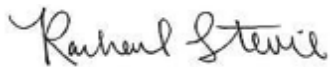

Please review the Shoreline Exemption Permit applied for by Richard Klaus (SX-22-00017). The proposed project is the relocation of an approximately 330 square-foot gazebo from parcel 220734, which is currently within the buffer of a Type F stream. The proposed locations are outside of the 115' stream buffer and outside of the floodway. Please submit any comments by September 14, 2022 at 5pm.

****Please note, my last day with Kittitas County will be Tuesday, September 6, 2022. After that time, please send comments for this project to jeremiah.cromie@co.kittitas.wa.us. Thank you****

Please let CDS know if you have any questions.
