Dear Mrs. Bacon,

The Confederated Tribes of the Colville Reservation would like to discuss the Notice of Application for Project File Number SD-22-00001 and PF-22-00001. We have concerns about removing infrastructure and facilities that concentrate on recreational use and the potential impacts to cultural and archeological resources when that use is dispersed to the surrounding area. We would like to know more about Grant County PUD's long-term plan for development and access to the property. The Tribe would also like to have this consultation prior to a decision being made on the above-referenced application.

Future communication can be directed to the Chairman of the Colville Business Council, Jarred Michael Erickson. If you have any questions please contact Cody Desautel, Tribal Executive Director, at 509-634-2249 or cody.desautel@colvilletribes.com. Thank you for giving us the opportunity to provide comments, and we look forward to future discussions.

Sincerely,
