Subject: Grant County Application to demolish Vantage Waterfront Infrastructure & Fountain
Date: Monday, July 25, 2022 4:07:13 PM

CAUTION: This email originated from outside the Kittitas County network. Do not click links, open attachments, fulfill requests, or follow guidance unless you recognize the sender and have verified the content is safe.

I request that the application from Grant County be denied, based on the free and unrestricted use of the Vantage Waterfront for the past 40 years. It's the only remaining section that can be seamlessly utilized by the citizens of the State, free of fees and obstacles. To allow the destruction of the Waterfront Amenities equates to turning a blind eye to what the constituents of the County want. Save the Vantage waterfront, deny Grant County's application.

Sincerely,

John B. Howe
