Hello,

My name is Nina Williams and I am emailing you today to urge you to please reconsider SD-22-00001 and PF-22-00001. These plans would ruin a beautiful public park that means so much to many, including myself. Public waterfront should be accessible to all and protected at all costs and these plans directly put that area into an unusable state. Please, do not approve these permit requests and please let this park remain open to the public.

Thanks for reading.
