Good morning Neeka,

Grant County PUD has requested that we move forward with trying to schedule a new meeting. I currently have availability next week as follows:

Tuesday – Sept. 13th – Morning

Wednesday – Sept 14th – Morning or Afternoon

Thursday – Sept 15th – Afternoon

Please let me know if one of these days would work for Colville Tribes to meet. If there is a specific time frame that would work best, please let me know that as well.

Thank you,

Good Afternoon,

The Tribes' request remains the same- "to have a consultation prior to a decision being made on the Application Project File SD-22-0001 and PF-22-00001." I look forward to hearing from you on the timeframes for rescheduling.

Good afternoon,

GCPUD has requested that the meeting be cancelled while they look into the intent of the meeting. I'm unsure at the moment if they have reached out to anyone within this email.

Once I have received further information from GCPUD we can further explore another time frame, should it be needed.

Thank you,

Kelly Bacon

Great, I will work with the applicants on a 9am on Tuesday August 23rd meeting. I was thinking Webex may work best due to travel time, but if the Tribe would prefer in person we can schedule as such.

Goof Afternoon,

The Chairman is also available Tuesday. He would prefer the 9:00 AM. Would this be an in-person, over the phone, or zoom meeting?

Good afternoon,

In response to the Colville Reservations comments on the Substantial Shoreline Development permit application SD-22-00001 dated July 25, 2022, I am looking to set up a joint meeting. The letter received asked to send future communication to the Chairman, Jarred Michael Erickson. Unfortunately, there was no contact information included. Please forward the request onto the appropriate individuals if needed.

My calendar is wide open all of next week. Is there a day and time between the 22nd and 26th that would work for the necessary parties to attend?

Thank you and I look forward to meeting with everyone.
