Mr. Torrance-Smith:

The Department of Health (DOH) Office of Drinking Water (ODW) has reviewed the application and has the following comments:

1. With a single well serving three (3) homes, this is a public water system.
2. As a public water serving three (3) connections, this would be a Group B public water system.
3. Kittitas County Health has exclusive authority for Group B water systems in Kittitas County.

If anyone has any questions or concerns, please contact DOH, thanks,

Russell E. Mau, PhD, PE
