Hi Kelly,

I have prepped the NOA and NOA legal re-notice documents in the planners workfile. I will go ahead and send this off to the paper to be published Tuesday April 13. We will only publish the re-notice in the Daily Record. You should only need to prep the email notification and your affidavit document on Tuesday. Please be sure to note in your email that this SEPA is not related to the proposed ARCO station.

Also, I just got off the phone with Mr. Ahlers and informed him that I will monitor comments during the comment period so I am able to issue a SEPA determination very quickly at its conclusion.

Sorry about the mistake. Let me know if I can do anything else to help.
