RE: SE-24-00013 Horish

Dear Mx. Gasawski:

Thank you for the opportunity to comment on the driveway proposal with parcels 546534 and 516534 in Section 05, T. 19 N., Range 16 E., W.M.; Kittitas County.

Based on remote review of this parcel(s) it appears that some or all of the parcel(s) consist of forestland, and it will require a Forest Practices Application (FPA) from the DNR if merchantable timber is removed/harvested as part of the proposal and/or is being converted out of forest land (RCW 76.09 and WAC 222). The FPA would need to meet the requirements of the Forest Practices Act and its rules. It is our recommendation that the applicant meet with our local forest practices forester to discuss, they may call our Southeast Region office at (509) 925-8510 to schedule an appointment.

If there are questions regarding our comments, please contact our Region Forest Practices office at the number above.

Sincerely,

A handwritten signature in cursive script that reads "Amanda Moody".
