Hi Bradley,

I wanted to touch base with you and let you know that we have not come to a resolution with Linda Horish regarding access across the Palouse to Cascades Trail. The last time I discussed this with her I was under the impression that she would be submitting an application with State Parks. I am hoping to touch base with her soon to get a confirmation/update of her plans.

Have there been any changes to her SEPA status?

Best,

Hi Bradley,

State Parks recently commented on a SEPA application in Kittitas county number SE-24-00013 Horish. I met with Linda last month, and it sounded like you have been her main point of contact at the county. State Parks intends on working with Linda to legalize access to her new plat. I have a couple of questions for you and would like to schedule a time to chat in the near future.

Please call or email me to schedule a meeting.

Thank, Bradley.
